2. University Authorities:

2.1. Strengths, Weaknesses, Opportunities and Challenges (SWOC) Analyses Made and action taken

STRENGTHS:

- As a century old University it inherits a great legacy and goodwill, illustrious teachers and distinguished alumni.
- Strong research base which is reflected in global citation indices An overall H-Index (Scopus) for published research:72
- State of the art Information Technology infrastructure on the campus.
- Multidisciplinary research projects supported by national and international funding agencies; (as evidenced by recognitions such as Institution of Excellence, University with Potential for Excellence, Centre for Potential for Excellence in a Particular Area (CPEPA), Promotion of University

Research and Scientific Excellence (PURSE), Scheme Rs.9 crores
13UGC/SAP Departments and 4 DST-FIST supported Departments)

- MoUs with more than 40 global institutions:

Weaknesses:

- Adequate financial, autonomy
- Weak Industry-Academy interface.
- Geographical jurisdiction limited by the state and national policies.
- Lack of diversity in faculty profile with very less number of faculty drawn from outside the state and the country
- Poor resource generation impeding innovation and expansion.

Opportunities:

- University has immense opportunity in the area of vocational and technical education.
- There exists vast opportunities for enhanced University–Industry interface.
- The University has good chances for mobilizing financial resources through untapped sources like alumni contributions public donations, industry sponsorship etc.,
- There is a huge scope for digital initiatives including issue of digital transcripts, conducting online examinations and evaluation, increasing e-resources and implementation of e-governance.

Challenges:

- To become financially self-sufficient.
- Enhance publications in reputed high impact journals.
- To be one among the top 500 Universities in the world.

2.2. Short term and long term perspective plans-administrative measures taken, Training to the non-teaching staff.

Short Term: A five years Plan based on vision-2020 under which provision for infrastructure, Wi-Fi enabled campus, procurement of E-Resources and focus on skill development are put in place.

Long Term: A Perspective plan to enable the University to become one among the top 25 in the country, top 250 in Asia and top 500 Globally, It includes focus on 'Resource, Publication, Patenting, industry Interface & Placement of students'.

Training: Teaching and non-teaching Staff are trained periodically by HRDC.

2.11 Innovative measures to ensure announcement of results before commencement of next semesters of UG and PG degree courses.

PG and UG programs are offered under semester system for the last 10 years plus. Right now from the academic year 2010 – 11, the conventional existing course patterns has been based credit system for all 2 years PG programs.

For the award of a PG program one has to earn a minimum of 76 credits by successfully completing courses of 3 types, Hard core, and Soft core and Open electives. Out of 76 credits, one has to secure 42 credits to 52 credits from hard core papers, 16 credits from soft core subjects and at least 8 credits from open electives. Besides, the candidates can earn upto 96 credits (inclusive of 76 credits), an extra 20 credits over and above the minimum of 76 credits – which was not possible under the earlier system.

Candidates are evaluated continuously: Continuous assessment is split into 3 components such as C₁, C₂ and C₃. While C₄ in the final examination carrying 50% of the total marks of 100.

Flexibility in the System: In case a candidate secures less than 30% in C₁ and C₂ put together, the candidate is said to have DROPPED the course, and such a candidate is not allowed to appear for C₃. In case a candidate secures less than 30% in C₃, or secures more than 30% in C₃ but less than 50% in C₁, C₂ and C₃ put together, the candidate is said to have not completed the course and he/she may either opt to DROP the course or to utilize PENDING option. The candidate with pending option shall complete C₃ component before the end of double the duration by reappearing only for C₃ component of that course and he/she carries the same marks awarded in C₁ and C₂. Upon successful completion of a course a candidate will be given a grade on a 10 point scale. Once the candidate completes a semester he/she will be assigned with a Grade Point Average (GPA). A cumulate grade point average (CGPA) will be computed by considering all the courses the candidate completes during master's degree and based CGPA he/she will classify as Distinction, First Class and Second class.

2.12. Student representation in Academic Council (section 30 of KSU Act, 2000)

- a. **Extending the frontiers of knowledge (incorporation in textbooks, curricula etc., of globally reputed publisher and universities)**

Faculty of University of Mysore is working in interdisciplinary research on different aspects of Chemical Biology, Chemistry and Physics. Many number of research articles have been published in highly reputed journals with high impact factor including Nature Communications, ACS Chemical Biology, PNAS, Organic Letters, Synthesis, Tetrahedron Letters, Bioorganic and Medicinal Chemistry, Spectrochimica Acta, Materials Research Bulletin, PLOS one. Research findings are cited by numerous researchers/ medical practitioners globally. The research findings related to social science are well cited in books as well as curricula of many Universities.

c. Impacting Governance Policies At State/National/International Contexts

University authorities are also part of many policy making committees related to higher education.

In continuation to SAKALA University of Mysore is implemented "Seva Sindhu", the online version of SAKALA Services.

Followings are the work in progress (WIP) related to Sakala Act 2011, in University of Mysore.

1. **On 13/1/2015** meeting was held in University of Mysore by Sakala authority to discuss the Purpose and provisions of the Act, with the various department heads of the University, concerning to the Act directly or indirectly.

2. **On 1/1/2015** Office of Sakala was set up, with **01** no case worker, exclusively for the Sakala implementation and its related works.
3. Training was given to the case worker about the Sakala, Pros & Cons, Need and necessity and the outcome along with the implications pertaining to the works.
4. **17/01/2015** Work flow chart of the main 3 departments that come under Sakala as of now, ie; (**Academic Section, Examination Section and the Finance Branch**) was made based on the ground reality and the file movement and the final point where it ends.
5. On **11/2/2015** there is Inauguration of the Sakala Act implementation in the Mysore University by Hon'ble VC-University of Mysore.
6. Further, 01 day workshop / training to its employees on the awareness of the provisions of Sakala Act in Mysore University is planned. **This includes, the meeting the people commitments on time, minimizing the delays of file movements and improvising the work culture in the University environment.**

d. New Modules for Socially Relevant Extension Activities :

1. The Department of Social Work Surveyed nineteen Villages around M.M. Hill's in Chamarajanagar district to improve the socio-economic Condition of the adopted villages.
2. The NSS Unit of University has Organized NSS Camps to educate the villagers about lifestyle disorders (Diabetes, CVD, Snakebite Management, Malnutrition), savings, hygienic, Govt. schemes etc...
3. The University is promoting literacy among the most backward and downtrodden section of the society.
4. The University, faculty visit taluk/hobli/ panchyath to create awareness about the courses offered by the University in order to improve the GER.
5. The University has established Community Development Centre and adopted villages in collaboration with the rural community for their educational economic empowerment, Department of Social Work Cordenates the Programme.

e. In line with the Vision and Mission Activities of the University and focus on globally prioritized themes of planning and development

The University consistently strives to excellence in higher education. The institutional leadership Promotes research and skill development.

Since its inception, the University of Mysore has been led by visionaries who endeavored to foresee, create, implement and sustain an effective management system. The leadership has been innovative in commanding initiatives which have led the University to maintain its culture of excellence in knowledge creation, assimilation and integration. University has been responsive to the needs of its diverse stakeholders. In order to have interaction with the stakeholders, a systematic process has been adopted at different levels. These include: representatives from students and research scholars, teachers from colleges, faculty members from the Departments and faculties, experts, representatives from the industry, corporate sector and civil society.

All the authorities who hold leadership positions within the University are responsible and accountable for overall culture of excellence in teaching-learning, research and social outreach programmes. Besides the Vice Chancellor and the Pro-Vice Chancellor, positions such as Deans, Principals, and Head of the Departments, and a series other positions exist, working in a coordinated manner to lead the University to move forward to achieve the goals.

The University encourages creativity, innovation, and inter-disciplinarity approaches in its teaching-learning process. The University has given strong emphasis on linking theoretical knowledge with practical training. Teaching practices include both inductive and electronic methods. To disseminate new knowledge to the students, faculty of University of Mysore is using case studies: language and skill labs; seminars, presentations and internships; laboratory based learning methods; project-based learning and field studies along with audio-visual and other ICT based methods. A special emphasis on slow learners has been given by forming small group interactions through tutorials; remedial classes; easy access to faculty; regular and structured workshops to facilitate peer learning. In addition, stakeholders are encouraged to interact with and learn from the visiting scholars, industrialists, entrepreneurs, and professionals from Govt.al and non-Govt.al organizations. Libraries of both University and affiliated colleges are well-stocked with latest textbooks and reference material, and students have easy on-time access to many journals and e-resources.

The University supports high quality research with its state of art laboratories, computational infrastructure and allied services. The University is also promoting research in affiliated college at the undergraduate level. Conferences and workshops; are founded and participation in international/national conferences is encouraged.
