RADIO MANASA

Radio Manasa 89.6Mhz, the community radio station at the University of Mysore, was initiated and established in 2018 with a view to create a bridge between the University and its immediate community members. The community includes the students, faculty members, stake holders, residents in and around the campus. The main idea behind the station is to educate and inform the society members on various aspects related to developmental issues such as education, empowerment, health, art and cultural identities of the community and so forth.

Radio Manasa, conceptualizes the programs in accordance to the needs of its listeners. The station formulates strategic planning which works closely for the development of the society as a whole.

VISION

To involve and educate the masses through the medium of radio, in order to create a well informed society

MISSION

Connecting and Amplifying the voices of the local communities

Objectives of Radio Manasa

- To highlight issues related to students.
- To provide academic guidance and solutions to the student community by involving faculty members and subject experts.
- To create a platform for intellectual discussion among stake holders.
- To facilitate empowerment among various community members and infuse professionalism among students through practical training .
- To promote local talent, local culture through various programs
