

ಮೈಸೂರು ವಿಶ್ವವಿದ್ಯಾನಿಲಯ UNIVERSITY OF MYSORE

Manasagangothri, Mysuru-570 006

Prof. G. Hemantha Kumar
Hon'ble Vice Chancellor

Prof. R. Shivappa
Registrar

**UNIVERSITY
ENGINEERING
DIVISION &
ESTATE OFFICE**

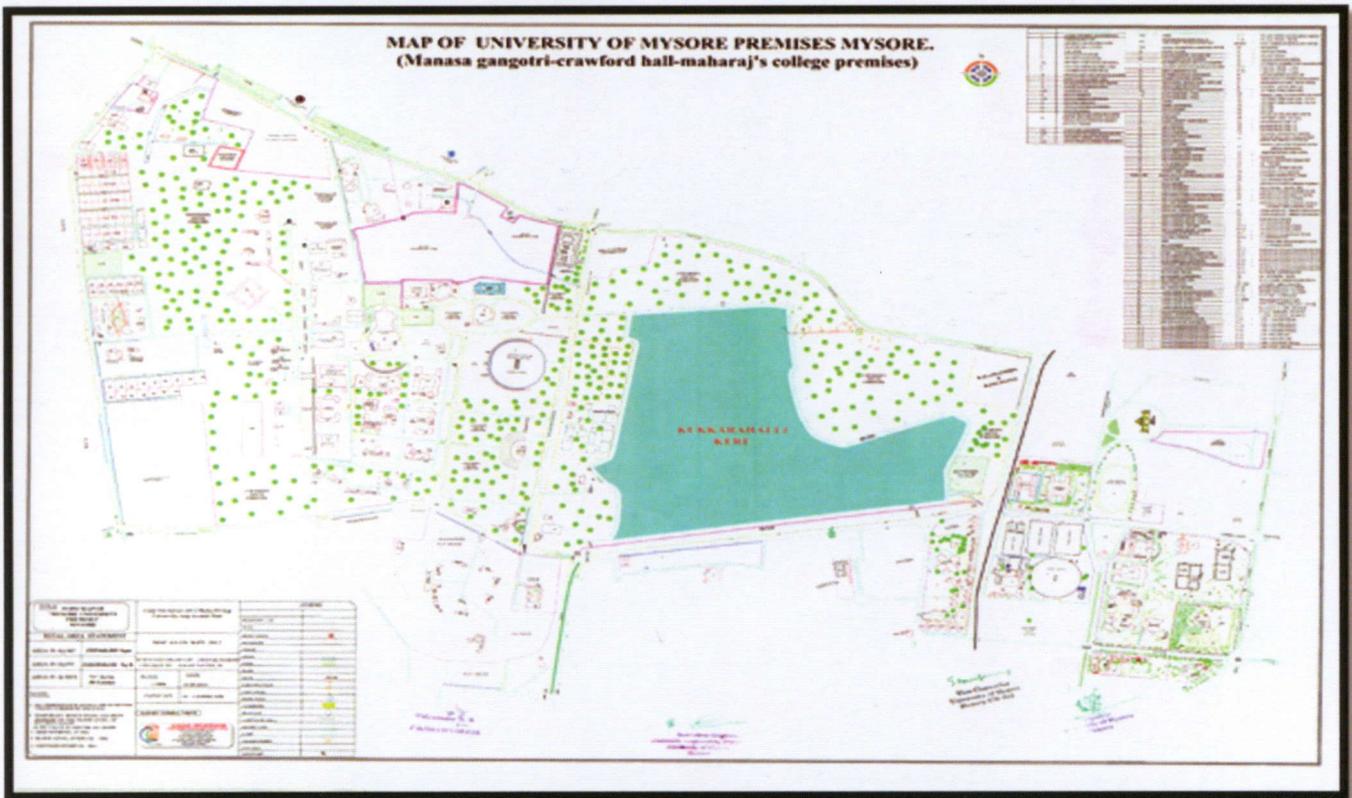

The University of Mysore was established on July 27, 1916. It is the sixth oldest in the country and the first in the state of Karnataka. Also, in a sense it is the first university of the country to be established outside the limits of the British India. The university was founded as a result of the efforts of the benevolent and visionary Maharaja of erstwhile Princely State of Mysore His Highness Shri Nalvadi Krishnaraja Wadiyar – IV (1884-1940), and the then Diwan Sir M. Visvesvaraya (1860-1962). It was the first University to be accredited by NAAC in 2000 with Five Star Status. The university is now ranked 19th (University ranking) in the India Rankings 2020, NIRF-MHRD, Government of India.

The main campus named "Manasagangotri" – eternal flow of the mind – by the Poet-laureate 'Kuvempu', the former Vice-Chancellor, and the first 'Jnanapeetha' awardee, is located on 801 acres of picturesque land containing a sprawling Kukkarahalli lake surrounded by verdurous trees extending to an area of 261 acres.

The University has an Engineering Division to look after the construction and maintenance of the buildings. The Division operates, maintains and provides services concerning civil, electrical, mechanical and allied services like plumbing, carpentry and painting from time to time. There are 21 hostels for students, research students, and working women and 212 faculty and 91 non-teaching staff quarters are maintained by this Division. The roads and pavements in the four campuses of the University are well-maintained. A building committee monitors the construction, renovation, and maintenance of all buildings. An Estate Officer looks after the records and documentation of land and buildings.

In addition to the main campus, there are three campuses

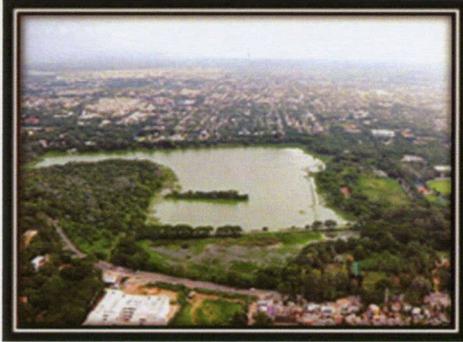

1. Sir.M.V.Post Graduation Centre, Tubinakere Mandya,
2. P G Centre, Hemagangotri, Hassan and
3. Dr.B.R.Ambedkar PG Centre, Chamarajanagara.

Buildings of Heritage, Architectural and Academic Importance

KUKKARAHALLI LAKE EAGLE- VIEW

Kukkarahally Lake is a natural water body is a boon to the campus. It is providing a substantial quantity of water required for the maintenance of vegetation in the campus and also recharging of bore wells operating in the campus as well as the surrounding bore wells. The water body in the lake is in area of around 100 acres with rich flora and fauna spread over and 35 acres.

Buildings related to Sports and Cultural Activities

Manasa Indoor Stadium

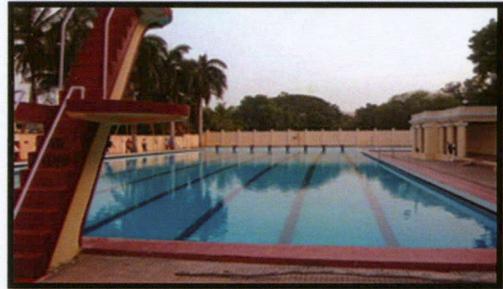

Oval Ground

Open Air Theatre

University Swimming Pool

Projects related to Sustainable Development

Rain Water Harvesting

Use of Solar Energy

Solid Waste Management
