6.1 Granting Affiliation to New Colleges

Norms and Procedures:

A college applying for affiliation to the University sends application to the Registrar, within the time limit stipulated in the advertisement, furnishing the information with respect to the following:

- That it will supply a need in the locality, having regard to the type of education intended to be provided by the college, the existing provision for the same type of education made by other colleges in the neighborhood and the suitability of the locality where the college is to be established;
- That it is to be under the management of a regularly constituted Governing Body;
- That the strength and qualifications of the teaching staff and the conditions governing their tenure of office are such as to make due provision for the courses of instruction, teaching or training to be undertaken by the college;
- That the buildings in which the college is to be located are suitable and that provision shall be made in conformity with the Ordinances for the residence in the college or in lodgings approved by the college, for students not residing with their parents or guardians and for the supervision and welfare of students;
- That due provision has been made or will be made for a Library;

- That where affiliation is sought in any branch of experimental science, arrangements have been or will be made in conformity with the Statutes, Ordinances and Regulations for imparting instruction in the branch of science in a properly equipped laboratory or museum;
- That as far as circumstances may permit, due provision shall be made for the residence of the Principal and members of the teaching staff in or near the college or the place provided for the residence of students;
- That the financial resources of the college are such as to make due provision for its continued maintenance and efficient working; and
- That rules fixing the fees, if any, to be paid by the students have been framed or will be framed.

Applications for affiliation of new colleges will not be entertained from individuals, but only from the Registered Society or Registered Public Trust, financially viable to run the colleges without the aid of the State Government.

The application shall further contain an undertaking that after the college is affiliated, there shall not be any transfer of Management or change of name and style of the college, without prior approval of the State Government and the University.

On receipt of application under sub-section (2), it shall be placed before the Syndicate, for consideration. The Syndicate, on consideration of each of the applications for affiliation, shall direct a local inquiry to be made by a Local Inquiry Committee:

Provided that the Local Inquiry Committee shall consist of at least one person belonging to the Scheduled Castes or the Scheduled Tribes.

The Local Inquiry Committee shall, within thirty days from the date of constitution thereof, submit a report to the Academic Council.

The Academic Council shall, soon after the receipt of the report of the Local Inquiry Committee, consider the findings of the Committee envisaged in the report and make such further enquiry as may appear to it to be necessary and record its opinion on such request and transmit it to the Syndicate.

The Syndicate shall consider the report of the Committee and the resolution of the Academic Council and shall further record its opinion on the question whether the request shall be granted either in whole or in part or be rejected, after making such further enquiry as may be deemed necessary.

The Registrar shall submit the application and its enclosures, annexures, the report of Local Inquiry Committee, and the Proceedings of the Academic Council and the Syndicate to the State Government for taking a decision thereon before 31st March of the ensuing year.

The State Government shall consider such applications, in the light of the recommendations of the Local Inquiry Committee, the Academic Council and the Syndicate and after such enquiry, as may appear to it to be necessary, make their recommendations to the University to affiliate or reject the affiliation as the case may be or any part thereof, including the variation in the intake.

The University shall, on receipt of the directions of the State Government, issue formal orders accordingly.

Conditions:

1. **Sanction of affiliation shall, however, be subject to obtaining the prior approval of the All India Council for Technical Education, the Bar Council of India, the National Council for Teacher Education, or such other authorities or bodies concerned and the intake determined shall not exceed the intake, if any, specified by such authorities or bodies.**

- (14) **Periodical Inspection:** The University shall arrange to have periodical inspection of every permanently affiliated college in three years.
- (15) **Withdrawal of affiliation:** If the college to which permanent affiliation has been granted has failed to comply with or failed to observe any of the conditions of its affiliation or has been conducted in a manner which is prejudicial to the interest of Education, the University may withdraw in whole or in part or modify the rights conferred on the college by affiliation, after following the procedure prescribed in Section 56 of the KSU Act.

6.5 Withdrawal of Affiliation:

The rights conferred on a college by affiliation, either temporary or permanent, may be withdrawn in whole or in part or modified, if the college has failed to comply with any of the provisions of this Act or if the college has failed to comply with any of the conditions of the affiliation or if the college conducted in a manner prejudicial to the interests of education.

A motion for the withdrawal or the modification of such rights shall be initiated only in the Syndicate. Any Member of the Syndicate, including an Ex-Officio Member, who intends to move such a motion, shall give a notice of it in writing setting out the grounds on which such a motion is made.

Before taking the said motion into consideration, the Syndicate shall send a copy of the said notice to the Principal of the College concerned specifically intimating that any representation in writing on the motion shall be submitted by the College within a period to be specified in such intimation and the same will be considered by the Syndicate.

The period so specified in sub-section (3) may, if so expedient, be extended by the Syndicate upto a reasonable time.

On receipt of the representation or on the expiry of the period referred to in the preceding sub-sections, the Syndicate shall, after considering the notice of motion, the grounds set out therein and the representation received thereon and after such inspection by a Committee constituted and authorized by it in this behalf and after such further enquiry as may appear to it to be necessary, pass a resolution regarding the reasons thereof and shall transmit it to the Academic Council.

On receipt of the report under sub-section (5), the Academic Council shall, after such further enquiry, if any, as may appear to it to be necessary, record its opinion and refer back to the Syndicate.

The Syndicate, after considering the resolution of the Academic Council, shall pass a final resolution recommending the withdrawal of affiliation. Such a resolution shall not be deemed to have been passed by the Syndicate unless it has obtained the support of two thirds of the members present at a meeting.

The Registrar shall submit the proposal, with all the documents including the notice of motion, the reply of the College, Resolutions of the Syndicate and the Academic Council, to the State Government for taking decision.

The State Government, after such further enquiry as may appear to it to be necessary, may direct the University to withdraw the affiliation in whole or in part or as modified and as applicable from a particular academic year or to reject the proposal.

The University shall, on receipt of such directions, pass formal orders in accordance with such directions.

The students of a college, the affiliation of which has been withdrawn in whole or in part, shall be accommodated in the nearby colleges by the University by increasing the intake in respect of particular course of study to the extent of such students to be accommodated. All the documents in respect of such students shall be transferred from the college in respect of which the affiliation has been withdrawn to the college to which they are transferred by the University.

- k. quality of institutional management and responsiveness of administrative structure and
- l. Preparedness to switch over to an autonomous setting to ensure that the responsibilities accompanying autonomy shall be properly discharged.
- m. Adequacy of infrastructure: Library, laboratory, equipment and space for academic activities.

The Academic Council shall refer the Report to the Syndicate and then, in the light of the recommendation of the Academic council of University, the Syndicate may resolve whether the applicant's request for autonomy be granted or rejected.

If the Syndicate resolves to grant autonomy to the applicant college, the Syndicate shall transmit all the relevant records to the State Government and the University Grants Commission for obtaining their concurrence.

The Registrar shall only after the State Government and the University Grants Commission concur, intimate the applicant College / Institution about the proposal to grant autonomy, the period for which the applicant shall enjoy autonomous status and the conditions, if any, subject to which such status shall be granted.

The applicant shall, on receipt of such intimation about the proposal to grant autonomy pay within fifteen days such fee or fees and such earnest money deposit as may be prescribed by the University from time to time.

The College / Institution after having complied with the provisions of statues of chapter V shall make a report to the University of such compliance by enclosing all documents in support thereof and indicating its preparedness to function as an autonomous College / Institution.

On receipt o such report under statue 6.1, the Registrar shall place it before the Syndicate along with his report indicating whether or not the College / Institution has fulfilled the conditions and terms of letter of intimation and requirements of statues of Chapter V.

The Registrar shall in accordance with the Syndicate resolution issue a letter granting Autonomous Status per format in Annexure 'D' with modifications if necessary.

Autonomous Status shall be granted initially for a period of five years subject to the condition that thirty days before commencement of each academic year the college / Institution shall remit to the University a sum of Rs.25,000/- (Rupees twenty five thousands only) or such other sum prescribed as Annual Fee by the University from time to time.

The University reserve the right to revoke the autonomous status when the annual fee prescribed is not paid within the time specified above.

Notwithstanding anything contained in this Act or statutes, Ordinances and Regulations made there under, University may, with the prior concurrence of the State Government, designate, for such a period as may be specified, an affiliated college, Department or Units as an Autonomous College for any course of study, after following the procedure and subject to such conditions to may be specified in the Statutes made in this behalf and with a view to improve the quality of education and to introduce new and relevant courses of study.

Subject to the Statutes made in this behalf, an Autonomous College so designated shall be entitled to design the courses of study, devise appropriate teaching methods, devise methods of evaluation, examination and tests pertaining to the award of the degree or diploma in the University and frame rules of admission of students.

Subject to such periodic review as may be prescribed in the Statutes, the University may, with the prior Concurrence of the State Government, continue the designation of the Autonomous College for such further period as may be specified or cancel such designation.

The Statutes for this purpose shall be made in consultation with the Academic Council of the University and shall provide for –

- The manner in which and the conditions subject to which an affiliated college, Department or Unit may be designated as an Autonomous College or the designation of such college may be cancelled.
- Matters incidental to the administration of an Autonomous College, including the constitution or reconstitution, functions, powers and duties of the Governing Body, Academic Council, Board of Studies and Board of Examiners of the Autonomous College;
- Matters relating to admission of students;
- Periodic review for continuance or cancellation of designation of Autonomous College;
- Such other matters as may be relevant to the working of an Autonomous College including the matters mentioned in sub-section (2).

8. Granting Affiliation to Postgraduate Programmes in Affiliated Colleges

There are 33 PG and PG Diploma Courses offered in 23 colleges, and the affiliation sought for 16 new Courses for the academic year 2012-13.

The following are the guidelines for permitting Postgraduate Programmes in an affiliated college:

I. Guidelines:

1. The college shall comply with all the provisions of the Act, the Statutes, the Ordinances and also the rules and regulations of the University framed in this regard.
2. Colleges having permanent affiliation or at least five years of continuous affiliation only shall be eligible to start postgraduate programmes.
3. There shall be a core faculty consisting of at least four full-time members for each postgraduate programme in a college. All the faculty members shall be duly qualified as prescribed by UGC from time to time. Among them atleast two members should possess research degree (Ph.D)
4. All the faculty members shall be paid as per pay scales prescribed for the concerned cadres viz., Professors, Readers, Lecturers by UGC/AICTE and payment shall be made through Bank.
5. In addition to the core faculty, retired teachers having more than five years of teaching experience at the P.G. level may be appointed as visiting faculty to handle certain specialized topics/subjects, if need be. In exceptional cases eminent persons may also be invited to deliver lectures.
6. There shall be separate faculty for each P.G. programme. The U.G. teachers shall not be allowed to handle P.G. classes.
7. The number of teaching posts, the qualifications (as prescribed by the University) of the teaching staff, their recruitment procedure and conditions of service shall be in accordance with the Statutes/Ordinances/Regulations of the University in private colleges and shall be such as to ensure the imparting of adequate instructions to the students in the courses of studies to be undertaken by the College. However, the service conditions of employees shall be as prescribed by the Government.
8. Atleast one member of the P.G. faculty of the college and one representative of the concerned University shall be represented in the Governing Council.
9. The students shall be admitted to the postgraduate programmes as per the regulations prescribed for the concerned programme by the concerned University and also as per the guidelines of admissions issued by the State Government from time to time.
10. The Institution shall collect tuition and other fees as prescribed by the University / State Government from time to time.
11. The intake for each postgraduate programme shall be as fixed by the University/State Government/AICTE/Bar Council/NCTE etc. The Institution shall agree to set apart certain percentage of seats as directed by the State Government.
12. The academic and welfare activities of the backward classes and Scheduled Castes/Tribes students shall be properly looked after and special attention be paid by the colleges to their problem while also adhering to State rules and directions on reservation.
13. No college shall impose levies its teaching and non-teaching staff for meeting recurring or non-recurring general or special expenditure of the college or impose cuts in their salaries for any other purpose.
14. The college shall have undisputed possession of land measuring atleast 5 acres (relaxable to 1 acre in metropolitan cities) and shall submit a blue print of the proposed building for the college.

II. Infrastructure

15. The College shall have a separate Library for the postgraduate programmes. The Library shall have facilities like Reading Room, Journal Section, Text Book Section and Reference Section along with Internet facility. The seating capacity shall be in accordance with the strength of the P.G. students. A separate Librarian shall be appointed for managing the P.G. Library, especially if there are more than two P.G. courses in the college.
16. There shall be separate classrooms, staff rooms, Ladies common room and laboratories for the P.G. programmes. The size of the classrooms, laboratories etc. shall be in accordance with the intake fixed for each programme (Concerned University shall prescribe the requirement i.e.,

Classrooms, laboratories and other facilities based on the requirements for the concerned P.G. programme).

17. There shall be separate hostel facility for P.G. students.
18. The college shall satisfy the University that adequate financial provision is available and that the college has deposited the endowment funds.
19. The college shall also satisfy that it has adequate recurring income from its own resources for its continued and efficient functioning.

20. Research Facilities.

The postgraduate teaching will be more meaningful if the institutions create facilities for research in the concerned disciplines. This will enable the faculty members of the concerned disciplines. This will enable the faculty members of the concerned disciplines to keep themselves abreast of the latest developments in their own areas of specializations. If the institution creates research facilities it will enable the faculty members to initiate projects and also apply for funding from specific agencies.

The college shall exhibit their potential to develop research facilities in the concerned disciplines in the following way.

- Library: The library should have adequate number of journals (both Indian & Foreign) in the concerned disciplines. There should be internet facilities to enable the faculty and scholars to have access to world wide information.
 - Databases relating to the concerned disciplines should be procured by the colleges offering P.G. courses.
 - There shall be an investment of atleast Rs.1 lakh in the first year and Rs.50,000/- in every subsequent year for library towards purchase of books and journals pertaining to each P.G. programme.
 - Laboratory: For the P.G. programme in the Science disciplines, the research laboratory shall be established exclusively for the purpose of research.
21. The management of a Non-Government college shall have its accounts audited by the end of each year by a chartered accountant out of a panel approved by the University or the State Government and that a copy of its annual accounts shall be made available with the audit report to the University to State Government for inspection.
 22. All registers and records as required to be maintained under University Regulation/Government orders shall be maintained and will be made available as and when required for inspection by the University/Government.

III. Preliminary Project Report (Please see enclosure)

The college which intends to apply for postgraduate programmes shall prepare a preliminary project report showing the infrastructure and other facilities available for each programme, sufficient proof of financial and other resources for sustaining the programme. The college shall also give an undertaking that it abides by all the conditions mentioned above if it is considered for granting affiliation to postgraduate programmes. The preliminary project report must be prepared and submitted as per the enclosed Performa.

After receiving the preliminary project report the University shall constitute a Committee including the Dean of the concerned faculty and one or two expert members to evaluate the preliminary report and give its opinion about the feasibility and need for starting the postgraduate programme in the college.

IV. Local Inquiry Committee Report

Based on the Committee's report the University shall arrange to send a Local Inquiry Committee in accordance with the provisions of the Act, Statute and Regulations to visit the college and give its report. While giving its recommendations the LIC shall strictly follow the above guidelines and shall not recommend if the institution is incapable of fulfilling the conditions.

V. Final Approval

Before issuing Affiliation, a one man committee with Dean concerned shall reinspect the college to verify if all the above conditions have been fulfilled and the college assures that it will abide by the conditions stipulated as above.

Notwithstanding the guidelines laid down above, all the conditions prescribed by the Act, Statutes, Ordinance, and Regulations in respect of Affiliation shall be mandatory.

VI. Voluntary closure of a College or a Course:-

The management of any college, which intends to close down a college or a course in view of its incapacity or financial viability or breakdown of the Management, shall give a notice, in writing, of not less than three months prior to the intended closure of the college, to the University and to the State Government, stating the reasons therefore.

The application for closure of the college or a course shall be considered by the Academic Council and the Syndicate and pass appropriate resolutions thereon.

The Registrar shall transmit the application and the resolutions of the Academic Council and the Syndicate to the Government which shall, on consideration of the same, issue directions either to permit the closure or to reject the closure to the University and the University shall on receipt of such directions, pass orders accordingly.

The Management shall not close down the college and a course during the currency of the academic year, and until the annual examinations conducted by the University in respect of the course of study are over and the formal order is issued by the University to do so.

The students of such closed colleges shall, on transfer, be accommodated in the nearby colleges by the University, by increasing the intake in respect of a particular course of study to the extent of such students to be accommodated from such closed colleges and all documents in respect of each student shall be transmitted to the college in which such students are admitted.

If, within ninety days after the expiry of the term of notice under sub-section (1), the State Government does not issue any direction either permitting or rejecting the closure, it shall be deemed, subject to the provisions of sub-section (4), that the Management is permitted to close the College or the course as the case may be.

15. Innovative Aspects Introduced:

In an attempt to reach out to colleges in a speedy and effective manner, it is proposed to connect all colleges through internet, and introduce e-governance. In this direction (NME-ICT) National Mission on Higher Education for Information Communication and Technology, a wing of MHRD has come forward with a proposal to link all the colleges in University of Mysore with LAN.

It is also proposed to reform the affiliating system and to adopt an online filing application and uploading LIC report.

16. Man Power Development and Modernization:

In order to maintain data base pertaining to colleges and students it is proposed to get an opportunity for the staff to get trained in computer skills

17. Feed back from Stakeholders:

In the meetings held with Principals of the colleges and Management (of Private Colleges), CDC collects feedback in respect to its functioning.

18. Best Practices Initiated:

There is a weekly meeting held with the members of the office staff in which all the problems pertaining to the functioning of the office are discussed. Also there is a practice of monthly social gathering of the members of the staff which strengthens the relationship among the staff.

19. Future Plans:

There is a plan to bring out the information booklet about the affiliate colleges and their functioning. In an attempt to assist the colleges in achieving quality and excellence there will be conferences and workshops organized by CDC with the help of UGC. There is also a proposal to introduce student and faculty exchange programs between affiliated colleges and foreign University Colleges. CDC, University of Mysore, Mysore endeavors towards fulfilling the National objectives on Higher Education---Access, Equity and Quality!
