About the Seminar

As the Department of Studies in Library and Information Science (MyDLIS), University of Mysore, enters its Diamond Jubilee Year, we proudly inaugurate our celebrations with a National Seminar that highlights six decades of scholarly pursuit, innovation, and service to the LIS profession. The Seminar, themed “Turning Pages and Beyond: Recalibrating Librarianship for a Connected and Creative World”, will explore the changing paradigms of librarianship in a digital and interconnected era. It offers a platform for LIS educators, professionals, researchers, and students to discuss challenges and opportunities, inspired by emerging technologies and societal needs.

University of Mysore

Established in 1916, the University of Mysore is the sixth oldest university in India and the first university to be established in Karnataka. It was founded during the reign of His Highness Nalwadi Krishnaraja Wadiyar and the then Diwan Sir M. Visvesvaraya with the goal of promoting higher education and research in the region. It is located in Mysuru, the cultural capital of Karnataka.

MyDLIS

MyDLIS, the Department of Studies in Library and Information Science, established on June 24th, 1965, at Manasagangotri, University of Mysore, Mysuru has been at the forefront of LIS education and research. Embracing new ideas and technologies, the Department has continually evolved over the decades. Through its unique programs, curriculum innovations, and research projects, MyDLIS has established itself as a leader in the field, carving a niche in the realm of LIS education and research. Currently, the department offers Master's and PhD programs.

MILAN

Established during the Golden Jubilee in 2015, MILAN (Mysore University Information and Library Science Alumni Network) is the dynamic alumni network of MyDLIS. With a decade of engagement, MILAN fosters professional growth and alumni contributions through conferences, lectures, outreach, and collaborations.
