Discover Design - India's First & Biggest Inter school Design Festival

The Design Venue is bringing together iconic architects, designers, academicians, universities and industry for a first-of-its-kind design festival where students, grades 9 to 12 celebrate creativity, immerse in design thinking, and explore current innovations.

With 3500+ participants across three cities, the festival unfolds across three exciting zones:

EXPLORE ZONE (WORKSHOPS)

Conduct immersive, hands-on workshops and position your institution as a thought leader while directly engaging with creative, design-driven students.

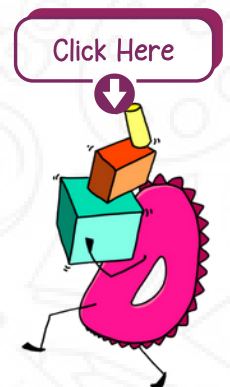

EXPERIENCE ZONE (EXHIBITIONS)

Showcase your design school's creativity through student installations, interactive exhibits, or curated displays in a high-visibility exhibition space.

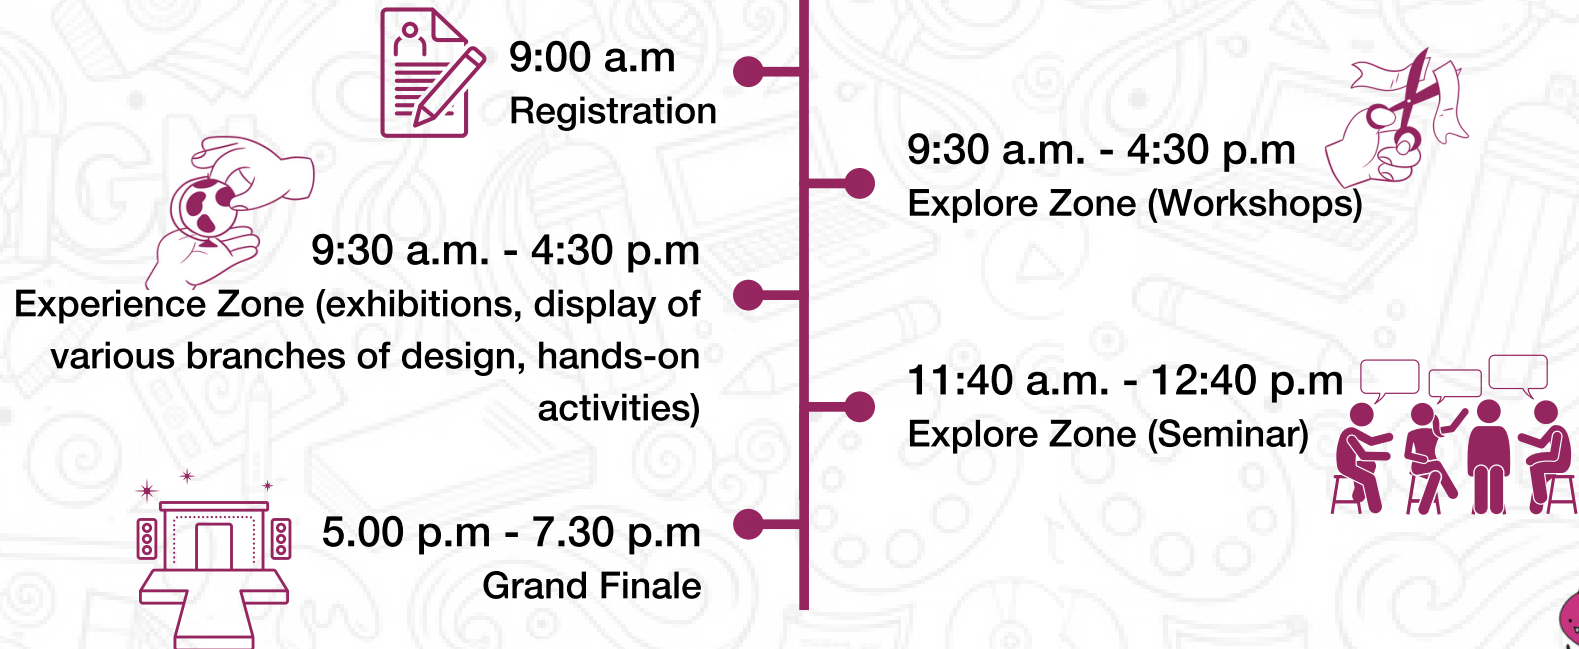

ENGAGE ZONE (COMPETITIONS)

Mentor budding talent, judge design competitions, interact with finalists — build credibility while inspiring the next generation.

MORE INFO

Warm Words

Hear what our community has to say!

Finally, a platform that truly nurtures design potential

- Mrs. Sapna Jayadev (School Coordinator)

Discover Design gave our students clarity, confidence, and exposure they couldn't have found inside the classroom.

I didn't just attend—I discovered who I want to be.

- Prakruti S Subramani (Student)

From workshops to challenges, every moment made me fall in love with design.

I saw my child come alive with purpose.

- Ashwini Reddy (Parent)

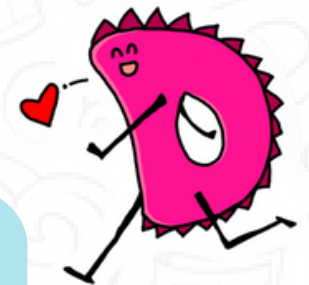

This festival ignited something in them that no textbook ever could—curiosity, courage, and creativity.

We met students who already think like designers

- Netra and Abishek (Founders Studio Sorted)

Discover Design brought us face-to-face with raw, untapped talent ready to be shaped into future creators.
