About Career Hub

The career landscape is significantly changing globally. At the University of Mysore we understand that we are preparing students for a job in the future, a job which we don't know yet. The University Career Hub – A RUSA 2.0 initiative of the University of Mysore was born in this context. The core objective is to provide career support services to students, alumni of the University and students from its 220 affiliate colleges to equip them better for a job or start their own venture.

Skill Development

Provide a breadth of career support services like industry connect, skill development program, Psychometry, resume writing, interview preparation, training in generic skills and sector-specific skills. coaching for competitive exams - SSC, UPSC, KPS and many more. We also provide English language training, Industry certification program in collaboration with industry leaders like IBM, SAP, Google and many more. We bridge with industry bodies like CII, NASSCOM. We give instruction in resume writingclinics, psychometry analysis and other support services to establish the right career fit.

Incubation Cell

Provides a variety of services to enhance the entrepreneurial ability of young graduates and to provides infrastructure, technical and managerial support to needy start-ups. We bring industry into the campus and enhance make it closer to the students. Introduce students to a start-up culture.

Innovation Hub

Provides a variety of workshops, short term courses and mentoring to foster the culture of innovation. We equip students to rapid -prototype and build a self-reliant mindset. We have a state-of-the-art Makers lab to support rapid - prototyping of innovative business ideas, a Lab comprising a treasure to explore tinkering:Augmented / virtual reality Studio, 3D printing / scanning, Electro-mechanical kits, Hydroponic kits, Robotic arms, Design Software, IOT kits, Arduino boards, Sewing kits, Drone kits and lot more added variety to what can be prototyped. Our focus is also on Theme based challenges from time to time.Mentorship support by industry domain specialists, technology specialists and business specialist as provided.

Vision

Provide career guidance services to better equip students . Also enhance their chances of employability and make them self-reliant.
