ABOUT THE UNIVERSITY

The University of Mysore welcomes you to its picturesque main campus, located in the heart of Mysuru City. The University of Mysore was established on July 27, 1916. It is the sixth oldest in the country and the first in the state of Karnataka. Also, in a sense it is the first university of the country to be established outside the limits of the British India. The university was founded as a result of the efforts of the benevolent and visionary Maharaja of erstwhile Princely State of Mysore His Highness Shri Nalvadi Krishnaraja Wadiyar – IV (1884-1940), and the then Diwan Sir M. Visvesvaraya (1860-1962). The University was granted autonomy in 1956. Originally the territorial jurisdiction of the University consisted of nine districts of Karnataka State. With the creation of Bangalore University in 1964, Mangalore University in 1980, Kuvempu University in 1987 and Karnataka State Open University in 1996, the territorial jurisdiction of the University of Mysore is now confined to the four southern districts of the State, viz., Chamarajanagara, Hassan, Mandya and Mysuru.

It is the first University to be accredited by NAAC in 2000 with Five Star Status and currently the University is re-accredited with CGPA score of 3.47 on a 4 point scale. NAAC has designated the University as a '**High Performing Institution**' and this tag is valid up to 2020. The University Grants Commission has placed the University under Tier-II category of graded autonomy.

The University is located in Mysuru, the cultural centre of Karnataka. Mysuru was the capital of the Wadiyar dynasty. It is a city of palaces, temples, and gardens. Being a splendid tourist centre with historical monuments and unique architecture, it is famous for silk, sandalwood oil and artifacts of ivory and sandalwood. The city has salubrious climate throughout the year. It is about 140 kms south west of Bengaluru, the State capital, and is well connected by rail, road and air.
