Dear Sir,

Sub: Workshop on “Use of Anti-Plagiarism Software and J-Gate Discovery Tool.”

Mysore University Library, Manasagangothri is conducting one-day workshop on the use of “Turnitin” and “iThenticate” Anti-plagiarism Software. The programme also covers demonstration of J-Gate Plus Discovery Tool which facilitates access to more than 35000 online journals. The workshop is scheduled to be held in three sessions on 10th December 2014, from 10AM to 1.30 PM. The Research Scholars and Faculty members of University of Mysore who are interested to attend the workshop can enroll their names in the Library providing the relevant details in the registration form. There will be no registration fee.

The registration form giving the details of Name, Designation, Department, e-mail ID and Contact Number, countersigned by the Research Supervisor or Chairperson of the Department be submitted to the Librarian on or before 8th December 2014. As the number of participants is restricted to 100, registration will be made on first-cum-first serve basis. There will be no spot registration. The participation certificate will be issued to those who register and attend the workshop.

The Researchers and Faculty members, who have already attended our earlier programme on the use of anti-plagiarism software, need not enroll for the present workshop being conducted on 10th December 2014.

I request you to bring this information to the notice of all concerned in your department.

Thanking you,

Yours faithfully,

UNIVERSITY LIBRARIAN
