Dated: 10-06-2015

**NOTIFICATION**

**Sub:** Changes in the Question paper pattern of CBCS programme at PG level.

**Ref:** 1. Proceedings of Faculty of Science & Technology Meeting held on 02-02-2015.  
2. Proceedings of the Meeting of Academic Council held on 27-03-2015.

The Board of Studies in **Sericulture Science (PG)** at its meeting held on 19-11-2014 has resolved that in the question paper set for C3 component (for 70 marks) certain modifications have to be brought in, especially with reference to Q. No. 1 which comprises short questions drawn from all the units of the syllabus. As such, it was unanimously agreed upon that Q. No. 1 shall have title as "define/explain any SEVEN of the following" instead of the current title as "answer any SEVEN of the following". Further, the members suggested that there shall be altogether 10 (ten) short questions instead of 12 (twelve) of which only SEVEN need to be answered. With reference to "short questions" as choices from Q. No. 2 onwards, the members felt that the title of the "short questions" could be changed as "write explanatory notes on the following". In addition, the members were also of the unanimous opinion that there is a dire need to rectify the typographical mistakes occurring in the question papers. In case of such a problem, the same may be brought to the notice of the concerned authority in the University.

The Faculty of Science and Technology and the Academic Council at their meetings held on 02-02-2015 and 27-03-2015 respectively have approved the above proposals and the same is notified.

The copy of Changes in the Question paper pattern of CBCS programme at PG level is annexed.
