

**UGC Sponsored 2 days National Conference on 18th & 19th May, 2015**

May 06, 2015

Dear Sir / Madam,

Centre for Information Science & Technology (CIST), University of Mysore, takes immense privilege in inviting you as resource person to UGC sponsored 2 days National Conference on **Impact of Information Technology, Animation, Gaming & VFX on Society** which will be held on 18<sup>th</sup> and 19<sup>th</sup> May 2015 in Mysore.

In order to sensitize and create awareness among the youth about job opportunities in the area of Information technology, animation, gaming and VFX this conference is arranged. The conference will provide a platform to students, IT professional from industry and animation industry to discuss and exchange the latest advances and career opportunities in the field. Information technology and Animation has encompassed almost all fields of society. This unique conference will inspire the students who are in search of creative carriers.

We are happy to write to you that the Centre for Information Science and Technology, University of Mysore is organizing the UGC sponsored Two day National Conference on the Impact of Information Technology, Animation and Gaming on society. As your good self as a renowned academician / professional we write to request you to make it convenient to address the delegates of this conference.

We are grateful to you for having accepted our invitation and share your valuable knowledge and expertise with our delegates. ICT facilities are available for lecture. Kindly mail the topic of your lecture, a brief bio data, passport size photograph.

You will be paid TA and DA as per University of Mysore guide lines. Arrangements will be made for your stay in the university guest house. We look forward for your kind cooperation in this academic endeavour.

With personal regards,

Yours sincerely,

Organizing secretary
